Dear Pascale

Appointment to Survivor-led Adult College

I am writing to thank you for your interest in taking action on child sexual abuse and confirm you have been appointed to our Survivor-led Adult College.

We at the National Centre for Action on Child Sexual Abuse are committed to working alongside people with a lived experience of child sexual abuse and other stakeholders and partners to achieve a future where children are safe, and people can heal and recover. You and others will be a vital part of these efforts.

We are keen that everyone's experience on this Survivor-led Adult College is a positive one and they feel supported. We will have in place processes to make sure this is the case.

Your appointment to the Survivor-led Adult College will be for a period of 2 years, commencing from 21 February 2022.

Our staff at the National Centre will be in touch shortly with further information including the next steps, how the College will work and the supports we'll have in place. There will also be some formalities to complete such as criminal history screening and working with children checks, as well as the Centre's code of conduct and other policies and protocols we all follow.

Thank you again for taking on this role to contribute to The National Centre's work. I look forward to working alongside you.

Please don't hesitate to the Centre on info@ncacsa.org.au if there is any further information you need.

Yours sincerely

Dr Joe Tucci
Chair
